(2) A parish executive committee of a political party may fix and impose an additional fee on all candidates for membership on such committee; however, in no event shall the additional fee be in an amount in excess of one-half of the qualifying fee fixed by law. If an additional fee as authorized by Paragraph (1) of this Subsection is imposed on local and municipal candidates, then a fee of not less than twenty-five dollars shall be assessed and collected from all candidates for membership on the parish executive committee. The additional fee shall be paid at the time of qualification as a candidate and shall be collected by the official with whom the candidate qualifies. The official who collects these additional fees shall make a record containing the name of each candidate from whom received, the amount of the fee, and the political party with which the candidate is affiliated. After the close of the qualifying period for a candidate in a primary election, the official who collected the additional fees shall immediately transmit all additional fees so collected to the parish executive committee on which the candidate is seeking membership. The fee so imposed and collected shall be retained and used by the parish executive committee imposing the fee.

E. Clerks' fees. Once a voter has signed a nominating petition, he may not withdraw the nomination. The secretary of state shall prepare forms which may be used by any person who seeks nomination as a candidate by nominating petition. The secretary of state shall furnish copies of the forms to each clerk of court, and the forms shall be available, upon request, at the office of the secretary of state or at the office of the clerk of court. Nothing in this Subsection shall be construed to require nominating petitions to be filed only on forms prepared by the secretary of state.

(6) Any office not hereinabove provided for shall require the signatures of at least one-half of one percent of the registered voters in the voting area from which the officer is elected. The number of signatures of registered voters required shall be calculated based on the number of voters who are registered thirty days before the qualifying period ends.

(7) Notwithstanding any provision of this Section to the contrary, if qualifying for any public office is reopened pursuant to R.S. 18:469(A) after the death of a candidate - twenty-five in the area from which the public officer is elected.

Each sheet of the nominating petition shall set forth the candidate's name, the address of his domicile, the office for which the signers nominate him, the political party with which he is affiliated, if any, and the date of the primary election for which he seeks to qualify. The name of each voter who signed the nominating petition shall be typed or legibly written on the petition, and each signature on the nominating petition shall be dated and witnessed by the candidate or the person who obtained the signature on his behalf. The candidate and all persons who obtained signatures on his behalf shall certify on the nominating petition that to the best of their knowledge, information, and belief all of the signatures on the nominating petition are genuine and all of the statements contained in the nominating petition are true and correct.

E. Certification. (1)(a) A nominating petition shall be submitted to the registrars of voters in the parishes where the signers reside. If the final day for submitting a nominating petition to the registrars of voters falls on a Saturday, Sunday, or legal holiday, then the next day which is not a Saturday, Sunday, or legal holiday shall be deemed to be the final day for submitting the nominating petition.

(b) In the case of an election for which qualifying has been reopened pursuant to R.S. 18:469(A) after the death of a candidate, the nominating petition shall be submitted by the candidate during such qualifying period to the registrars of voters in the parishes where the signers reside.

(2) The registrar for each parish shall endorse upon the nominating petitions, whether original or supplemental, the date and time of submission and shall promptly certify the nominating petitions, in the order received, by determining and certifying on each nominating petition which of the signers who provided a residence address in the parish signed the nominating petition timely and are registered to vote on the office the candidate seeks. A supplemental nominating petition shall be certified in the order in which it is received, without regard to the time when the original nominating petition for that candidate was submitted. A registrar may stop certifying the signatures on a nominating petition when the total number of the signers he has certified as having signed the petition timely and as being registered to vote on the office the candidate seeks equals one hundred fifteen percent of the number of qualified voters required to nominate the candidate for the office he seeks. A registrar's certification shall be conclusive as to the number of qualified voters who timely signed a nominating petition, and evidence to the contrary shall not be admitted in an action objecting to the candidacy of the candidate who filed the nominating petition.
